## CHOCO-BOWS TO THE KING OR QUEEN

The choco-bow throne is a beautifully ornated chair or armchair. It is usually enough to place a nice scarf over any chair or armchair or attach a crown to it. One of the children sits on the throne. The task of the other children is to make chocolate bows for their friend. A chocolate bow is as sweet as chocolate, and as pleasant as recognition, for example:

Tom, I'm so glad you're my friend!

Emma, I really like your laugh.

Anna, today you asked me if I could play with you. It made me very happy.

Thanks, Max, for helping me today.
